Comprehensive Review of Lesions of Soft Tissue Bone

**FACULTY LIST**

**Director:**
Leslie G. Dodd, MD
University of North Carolina

**Faculty:**
Elizabeth Montgomery, MD, FASCP
Johns Hopkins
Robert Esther, MD
University of North Carolina
John Reith, MD, FASCP
Cleveland Clinic

**New Faculty**
Laura Fayad, MD
Johns Hopkins
Karen Fritchie, MD, FASCP
Mayo Clinic

**COURSE SCHEDULE**

**Thursday, September 20**

8:30am – 12:00 pm
Introduction to Bone and Soft Tissue Tumors
Leslie G. Dodd, MD

Soft Tissue Imaging
Laura M. Fayad, MD

New Topic | Dermal and Vascular Lesions
Karen Fritchie, MD, FASCP

New Topic | Bone Imaging
Laura M. Fayad, MD

1:30 – 5:00 pm
New Topic | Myxoid Tumors
Elizabeth Montgomery, MD, FASCP
Benign Bone and Joint Pathology
John D. Reith, MD, FASCP

New Topic | Soft Tissue Tumors of the Gastrointestinal Tract
Elizabeth Montgomery, MD, FASCP

Questions and Answers Faculty

8:30am – 12:00 pm
Mesenchymal Lesions of the Gynecologic Tract
Leslie G. Dodd, MD

New Topic | Matrix forming Tumors of Soft Tissue
Karen Fritchie, MD, FASCP

New Topic | Adipose Tumors
Leslie G. Dodd, MD

New Topic | Clinical Perspectives from an Orthopedic Oncologist
Robert Esther, MD

1:30 – 5:00 pm
New Topic | Small Round Cell Tumors
Elizabeth Montgomery, MD, FASCP
Radiology Review for Pathologists
John D. Reith, MD, FASCP

Osseous Bone Lesions
John D. Reith, MD, FASCP

Questions and Answers Faculty

**Saturday, September 22**

8:30am – 12:00 pm
New Entities in Sarcoma
Karen Fritchie, MD, FASCP

New Topic | Epithelioid Sarcoma and Related Lesions
Elizabeth Montgomery, MD, FASCP

Issues in Pediatric Sarcoma
Leslie G. Dodd, MD

New Topic | Synovial Sarcoma and Related Lesions
Elizabeth Montgomery, MD, FASCP

1:30 pm – 5:00 pm
Chondroid Bone Neoplasms
Leslie G. Dodd, MD

Cystic, Fibro-Osseous and Giant Cell Lesions of Bone
John Reith, MD, FASCP

Other Assorted Lesions of Bone
Leslie G. Dodd, MD

Questions and Answers Faculty
