Company

“We’re an executive transportation company, also oriented to the general public, specialized in both receiving and sending passengers, in congresses, conventions, incentives, corporate groups, meetings, events etc.

Aba transportes is the best option for customers seeking high level of service, guaranteed quality, with the professionalism that characterizes Aba transportes.

The company has over 10 years of experience that endorse our quality of work, besides wide industry knowledge and a vast experience in the services provided.

With a differentiated and highly reliable service, we’ve conquered an important position in the domestic market, and are already acting in the international market.

We are known for the effectiveness of the service provided to our customers, the professionalism of our staff and the responsible feedback to their needs.

Services

Airport pick-ups:

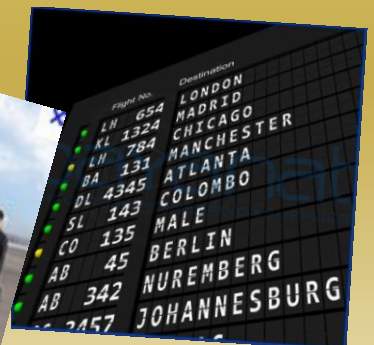

We are committed to providing transportation in executive vehicles, with no delays and with distinction. We'll collect you, your guests or clients at the airport, on the appointed date and time, holding a sign with the requested information on it.

Congresses and events:

Count on our service in congresses, fairs, meetings, conventions and any other type of event that requires quick, effective and high quality service for its participants or organization team.

Business visits:

Perform the necessary transfers for your visits or your business' visit, in the comfort and elegance of our vehicles. ABA Transport has experienced drivers who are able to perform transfers with full knowledge of the main avenues and streets of the city. Our service has no limits. Move comfortably in our vehicles from one city to another, regardless of the distance.

Services

Advanced Government Institutions:

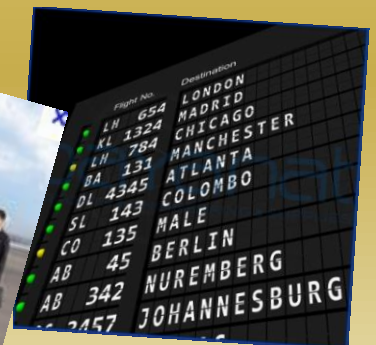

Presidential and ministries' visits have already required our professional service. Due to the high demand of high safety standards, our company focuses primarily on providing services that involve a careful recruitment of drivers, who are fully trained to perform highly demanding services.

City Tours

We offer the most varied types and sizes of vehicles, so that you, your family or company enjoy the most beautiful and exotic places that Uruguay and the world may offer.

Meet and greet

ABA Transportes cares about the well-being of its passengers. Therefore, we've created the "Meet and greet service", so our customers may be safely and reliably collected at domestic and international airports.

Services

City Tours

We have "bilingual tour guides" for city tour requests, who will provide information on the visited sites, in the language of your choice.

Direct and personalized mailing

And as an additional service to our customers, in the event of a last-minute or unexpected emergency, regarding a delicate shipping that cannot wait, our drivers will collect the documentation in question and deliver it directly and in a personalized way, as indicated.

Other innovations and advantages

Delivery of documents, small packages etc.

24/7 assistance

Logistics Management Services, with or without accompaniment.

Vehicles may available for hours or along days.

Special service for business dinners and weddings.
