

## Thank you members and partners for attending this year's Annual Meeting

There was lots to celebrate: 20 members before 2020; beating healthcare cost trends; financial performance; and \$2 million in dividend distributions.

## Did You Receive Our Spring Newsletter?

We're going digital so you won't miss the next one!

You may have missed our spring newsletter as many email servers block attachments. We're going digital with our new format, but it's not too late to read it.
