

EEG Cloud New User Set Up Scribe with ASR Powered by Lexi

Setting up a cloud account to start Lexi captioning or Caption alignment through the Scribe Program:

Select *Sign-In* at the top right corner of the Scribe Program.

To work with Lexi, you will need to log into Scribe using your Cloud account credentials. If you do not have an EEG Cloud account then you must register for one. To create a new Cloud Account, click on the *Create an EEG Cloud Account* as shown below.

Your default web browser will be launched and you will be directed to the *Account Creation* page at: <https://eegcloud.tv/register> to set up your new account. Enter your email and a password of your choice and click *Register*.
