Pinot Noir Russian River Valley SEASON 2019

CIRQ launched in 2009, with Michael Browne's (Co-founder of Kosta Browne) passion to make delicious wines from Russian River Valley's most exceptional sites. Inspired by his childhood circus-performing days, our winery ringmaster brings the same intense study, balance and finesse to CIRQ - superbly blending the highest quality fruit from the Valley's prime vineyards. The result is the best Pinot Noir that he can make from this spectacular region. Sourced from vineyards that Michael has worked with for over 20 years, this wine is meticulous blend of these sites to create the ultimate expression of this magical region.

TASTING NOTES

AROMATICS: A medley and a strong presence of freshly picked red berries, with hints of anise flowers, freshly turned earth, and wafts of ocean breeze.

FLAVORS: Ripe red raspberries and brambly fruits, bursting with lush red cherry and cranberry tart, nuanced with subtle citrus notes and light orange peel.

MOUTHFEEL: A supple and silky texture with vibrant acidity and commanding structure. Noticeable grip yet well-integrated tannins that create movement in the palate and a long energetic finish.
