BROWNE FAMILY WINES

Jeremiah Timm
Winemaker

Originally from Wisconsin, Jeremiah found his passion for wine at an early age. After graduating from Fresno State University with a degree in Enology he moved to Sonoma County where he worked many years for Michael Browne at Kosta Browne from Enologist to Director of Winery Operation. He left Kosta Browne to explore the world of Cabernet. After a chance meeting, he reunited with Michael Browne and his team at CIRQ and was instrumental in launching Michael's new brand, CHEV in 2018. Since then, Jeremiah has worked with the Browne Family Wines team to craft what Michael Browne calls Pinots Noirs with "intense elegance".
