WINEMAKING TEAM	Andy Smith – Winemaker, Viticulturist & Partner Julie Cooper – Associate Winemaker Jenna Hargrave – Assistant Winemaker Jaime Evangelista – Cellar Master
ABOUT	<p>Founded in 1996, DuMOL is a vineyard focused producer of cool-climate Pinot Noir and Chardonnay from distinctive vineyards in the extreme southwestern part of the Russian River Valley. We also grow and craft small-lot Syrah, Cabernet Sauvignon, and Viognier from exceptional vineyard sites in Sonoma and Napa, expanding upon twenty-five years of winegrowing experience.</p> <p>Through precise attention to detail in the vineyards and vintage-specific winegrowing and winemaking, we aim to create wines that highlight the purity of place. Our small team is dedicated to our portfolio of Estate, leased, and grower-partner vineyards. DuMOL wines are released through limited allocations to our consumer mailing list and select restaurants worldwide.</p>
WINES	DuMOL crafts 23 wines – 16 vineyard designates and seven appellation blends.
WINERY	The winery was built as a LEED Certified building in Windsor in 2008.
TASTING OPPORTUNITIES	Focused on production, the winery does not feature a tasting room. However, tours and tastings – to include guided walks through the vineyards – are possible by request with advance arrangements.
WEBSITE	Details on each of DuMOL's vineyards and winemaking, to include video, audio, maps, and photography can be found at dumol.com . Please contact Maggie Minnick at media@dumol.com or 707.948.7144 for additional materials or other requests.
