### 2023 Wester Reach Chardonnay

# 93+

“The appellation wine and calling card of the house, the 2023 Chardonnay Wester Reach is fresh on the nose, with notes of light flint, lime zest, bright flowers, white pepper, and green apples. It has a compact feel but with electric energy and a fantastic oily citrus texture on the finish. It’s a blend from five vineyards and was aged for 12 months in 20% new oak barrels. Drink 2025-2035.”

### 2023 Wester Reach Pinot Noir

# 94

“The 2023 Pinot Noir Wester Reach boasts a bright red hue and opens with a spicy, fresh nose that carries a cool-climate edge. Ripe cranberries, lifted spices, fresh roses, and piney herbs lead the aromatics, and it’s medium-bodied and compact on the palate, with a refreshing line of acidity, fine tannins, and a weightless texture. The finish is long and laced with elegant spice. Drink 2025-2037.”
