2024 HYDE VINEYARD CHARDONNAY

"The 2024 Chardonnay Hyde Vineyard comes from 40-year-old vines. "The vines naturally bring richness, so we look for acidity, savoriness, cut and restrained power," proprietor Andy Smith says. Matured in around 25% new French oak, it has singular aromas of quince, citrus blossom, pie crust, spice and matchstick. The medium-bodied palate pairs pure, concentrated flavors with taut, shimmering acidity, and it has a very long, saline-laced finish. It should be long lived in the cellar." – Erin Brooks, Wine Advocate
