DuMOL

IN THE PRESS

97 2024 'CHLOE' CHARDONNAY

"The 2024 Chardonnay *Chloe* is a blend of Flora Maria and Bressay. A wine of density and texture, the *Chloe* augments the riper and more generous style of the year, amplified by the natural breadth conferred by clay-rich volcanic soils. All the elements are so well balanced. Citrus confit, chamomile, tangerine oil and lightly honeyed notes abound." – Antonio Galloni, Vinous

97 2024 MACINTYRE ESTATE PINOT NOIR

"Rich, heady and explosive, the 2024 Pinot Noir MacIntyre Estate is one of the highlights in this range. The purity of fruit here is just captivating. Dark red/blue fruit, rose petal, lavender, new leather and blood orange stain the palate. Unctuous and heady but not at all overdone, the 2024 is magnificent."
– Antonio Galloni, Vinous

96 2024 DUMOL ESTATE CHARDONNAY

"The 2024 Chardonnay DuMOL Estate Vineyard is another potent, structured wine in this range from DuMOL. It emerges from three parcels planted with Hyde Wente and Mt. Eden clones on clay-rich soils that lend notable textural presence. Dried orchard fruit, white pepper, slate, chalk and mint all come alive in the glass. Readers should be in no rush here. This is a serious wine for the dinner table." – Antonio Galloni, Vinous

96 2024 DUMOL ESTATE PINOT NOIR

"The 2024 Pinot Noir DuMOL Estate Vineyard opens with crushed rose petal, ripe red cherry fruit, blood orange, chalk and white pepper. Medium in body and supremely polished, the 2024 is an absolute delight. This is a decidedly restrained style, and yet there's lovely depth. Pretty floral and savory top notes extend the close. This is all Calera and Swan done with fully destemmed fruit, even though the aromatics do suggest some whole clusters." – Antonio Galloni, Vinous

94 2024 CHARLES HEINTZ 'ISOBEL' CHARDONNAY

"The 2024 Chardonnay *Isobel* Charles Heintz Vineyard is a classic wine off this ranch, perhaps a bit understated because of the decision to pick early, but full of character nonetheless. Apricot, lemon confit, white pepper, slate, oyster shell and sage are all sculpted in the glass. This is impeccably done." – Antonio Galloni, Vinous

93 2024 'RYAN' PINOT NOIR

"The 2024 Pinot Noir *Ryan* is a blend of Widdoes and Jentoft. The wilder, gamier side of Pinot comes through loud and clear. Dark red cherry, dried leaves, gravel, crushed leaves and tobacco add to an impression of gravitas. There's plenty of savory/earthy complexity, while fruit is pushed more to the background. The *Ryan* was done with fully destemmed fruit." – Antonio Galloni, Vinous
