## BUNNY HILLS Chardonnay 2024

### *Tasting Notes*

The 2024 Bunny Hills Chardonnay offers a lithe, citrus-driven expression of the Firetree estate vineyard in Los Carneros. The nose opens with gentle notes of peach blossom, apple strudel, and hay with a touch of butterscotch and crushed rock minerality behind. In the mouth, a juicy core of white peach, nectarine and lemon zest builds dimension with floral jasmine aromas and preserved lemon savoriness. Baking spice warms the midpalate and lingers through the smooth finish of lemon cream, mace and vanilla.
