

HIGH RANCH CABERNET SAUVIGNON NAPA VALLEY COOMBSVILLE 2021

Aromas of black fruit, volcanic soil, violets, cocoa and spices with an underlying earthy, volcanic feel. The palate is full-bodied with tense acidity and silken tannins, leading to a long, mineral-edged finish. A delightful wine with tannins that have softened from the drought year, drinking wonderfully now with many years ahead. Two years in the bottle before release. Drink or hold.
