

HOSSFELD

2021 ESTATE CABERNET SAUVIGNON COLISEUM BLOCK

59 CASES

TASTING NOTES:

This wine opens up with an explosion of Swiss blackcurrant pastilles, vaulted by spicy wood.

The palate has a substantial graphite core, displaying the flavor profile and tannin structure indicative of its rocky, high-elevation terroir. With flavors of cassis, dark plum and crushed violets, this wine is a perfect showcase of this historic vineyard block.

THE VINTAGE:

2021 had a dry beginning and a cool growing season that produced low yields and small berries. The wines show intensity and rich aromatics, with great possibility for aging.
