2022 ESTATE MERLOT

145 CASES

\$85

TASTING NOTES:

BLACK CHERRY, COCOA POWDER

Fresh with aromas of blackberry and the rocky manzanita of Napa chaparral, this 2022 Merlot defines the history of Hossfeld. Graphite, coffee grounds and the site's warm volcanic rock come together to deliver an intensely linear wine, fully alive and full bodied, elevated while rich. A beauty with grit and finesse, we are very fond of this wine.

Hossfeld Vineyards is a family owned and operated, extreme hillside vineyard, perched high above the valley floor in the eastern hills of Napa Valley. The Hossfeld family has been growing the five Bordeaux varietals at our vineyard estate since 1981. Now under second generation leadership, we bring the same dedication to land stewardship and wine growing that has made the Napa Valley exceptional. Our passion is producing superb quality grapes and wine while spicing up the valley with a 'highlanders' approach.
