

CRAFTED FOR HIGH-END RESTAURANTS. INSPIRED BY THE PEOPLE WHO KNOW THEM BEST.

Friendships inspire a lot of things: dinners, deep conversations, weekend trips. But when your best friends are world-class restaurateurs, they also inspire extraordinary wine. Jim Keller met Tommy and Billy Hall at six years old, and they've been like brothers ever since—even as the success of Halls Chophouse took them across the country. And when he crossed paths with celebrated chef Thomas Keller in the early 2000s, he knew he'd found another kindred spirit.

Over two decades, that quartet bonded so much over a mutual love of food, wine, golf, and business, they purchased a vineyard together—a site in Yountville that has yielded multiple 100-point wines. So in 2021, Jim set out to make a wine worthy of his friends' restaurants. Drawing upon the group's collective culinary expertise, superb Napa Valley terroir, and the winemaking acumen of Thomas Rivers Brown, he came away with wines that wouldn't just hold their own beside luxurious cuisine. They'd elevate it.

That's KHK, elevated wines made exclusively for exceptional restaurants—with all the character, purity, and complexity of a lifelong friendship.

2024 KHK NAPA VALLEY CABERNET SAUVIGNON

The nose is vibrant and expressive, opening with aromas of ripe blueberry, blackberry, and cassis, underscored by delicate notes of violet, iron, and crushed stone that speak to its Napa Valley origins. Rather than emphasizing power, this Cabernet is defined by its elegance and energy. The palate is lifted, vibrant, and beautifully balanced, with a lighter, more graceful profile that makes it exceptionally food-friendly. A restrained oak influence adds polish and structure without overshadowing the fruit, allowing the wine's purity, freshness, and remarkable drinkability to shine.

95 POINTS | SOMM JOURNAL

"Juicy, with depth and concentration, this dynamic red also possesses a lifted character.

Joining notes of blueberry tart, mocha, and oak, chewy tannins are inviting and seductively textured, and the finish glides on angel wings, expansive and continuous."

Varietal:

100% Cabernet Sauvignon

Barrel program:

Aged 20 months in 100%

French oak barrels:

25% new French oak

25% once-used French oak

50% neutral French oak
