TASTING NOTES

A monumental expression of depth, concentration, and precision, the 2023 *The Lark* Estate Cabernet Sauvignon is immediately captivating. Deep plum and saturated blue fruit pour from the glass, layered with an abundance of violets, dark florals, and seamlessly integrated oak spice. As the wine opens in the glass, intricate notes of cassis, dark chocolate, graphite, and savory spice emerge, adding dimension to its already profound aromatic profile.

The palate is immensely rich and multidimensional, yet remarkably refined. Waves of dark fruit unfold across the mouth, revealing layers of spice, earth, and savory complexity, all while maintaining its effortless and captivating harmony. Elegant, finely sculpted tannins provide a seamless framework beneath the wine's tremendous concentration, creating a mouthfeel that is at once powerful, polished, and remarkably poised.

DRINKING WINDOW

Though captivating from the moment it's poured, 2023 *The Lark* Estate Cabernet Sauvignon rewards patience, with the depth and structure to age gracefully for decades in the cellar. Produced only in the most exceptional of vintages, The Lark represents the truest expression of our organically grown estate.

Expansive and commanding from beginning to end, it possesses extraordinary depth without sacrificing balance or elegance, promising to evolve beautifully for decades to come. The finish is long, resonant and persistent, leaving a lasting impression of dark fruit, florals, spice and savory complexity.
