Jeanette Hurt - May 11, 2023

My mom loves wine, but more than anything, she adores red blends. Here's a roundup of some of the best red blends you can gift your mom.

This exquisite red blend is perfect for Mother's Day.

Larkmead Vineyards 2019 Firebelle, \$100

This blend of 57 percent Cabernet Sauvignon and 43 percent Merlot shows off the quality and legacy of this historic estate; it's both powerful and elegant, just like the wine's namesake, with flavors of red berry fruit, warm spices, and cedar. Firebelle pays homage to Lillie Coit, daughter of the original Larkmead estate owners and a fierce female known for her early-California pioneer spirit.
