By Becca Hensley - November 13, 2025

Gift giving and receiving. It's a love language that we all speak fluently, especially during the holidays. But sometimes we don't take the time to shop for extraordinary items worthy of our friends, colleagues or beloved ones. HLSF's here to help. We've pulled some superb options from our little black book of be-ribboned offerings sure to make the grade. Ready to shop?

Calistoga's historic [Larkmead](#), known for its estate-grown Cabernet and other Bordeaux varietals, produces veritable meditation in a bottle. Its Three Cheers & Three Years Gift Set (\$350) holds three vintages (2020, 2021, and 2022 Estate Cabernet Sauvignon) awash in lush berry fruit, dark cocoa, sage and warm baking spices, ideal for the season. The black linen gift box seals the deal. Price includes two day complimentary shipping.
