Support Napa Valley with holiday gifts featuring local flavors and makers

BY THERESA GONZALEZ
Napa Valley Register Correspondent

The Napa Valley lights up for the holidays with everything from tractor parades and holiday markets to tree lightings and fireside tastings.

This year, whether you're celebrating with friends, family, colleagues, or all of the above, consider gifting

local. Stock up on small-batch treasures that bring a true taste of the valley home: estate olive oils, artisanal nuts, jams and spices and, of course, bottles of world-class wine for every budget.

Here is our guide to Napa-made gifts (with a few Sonoma County nods) that celebrate the flavors, makers and magic of the valley. ■
