#### 2028 SOLARI ESTATE CABERNET SAUVIGNON

*“Built of power with finesse and depth, the Solari from Larkmead unites deeply toned opulence with the structure and restraint for long aging. Entirely Cabernet Sauvignon from an older section of the estate vineyard known for its natural density of flavor and ample while silken tannins. Cassis, tobacco, cracked pine and sage lead into graphite and a dry-earthly finish. An impressive wine to fill the palate with flavor while keeping the mouth fresh and ready for an evening of enjoyment.”*

#### 2023 THE LARK ESTATE CABERNET SAUVIGNON

*“Refined with a balance of finesse and lush pleasure. Tobacco and thyme, cracked pine and sage, graphite and a complex of currants, black plum skin, and cherry blossom lift from the glass and carry all the way into the finish. Tannins are lithe with a succulent mouthfeel lingering into a pleasingly earthy, savory and brightening close.”*
