## TASTING NOTES

2021 is widely regarded an exceptional vintage in Napa Valley. Our estate produced wines with great balance, elegance and intensity and our Lillie Sauvignon Blanc is no exception.

Upon opening, floral and tropical fruits explode from the glass, with hints of white peach, guava and lychee steadied by rich aromas of lemon curd, fresh brioche, and toasted macadamia nuts. Incredibly fragrant, the wine continues to evolve with time, showcasing exotic notes of jasmine, lime peel and honeysuckle. The palate has an abundance of juiciness that balances the mineral and citrus-driven acidity that linger long after you take a sip.

## DRINKING WINDOW

As with prior vintages, the 2021 Lillie Sauvignon Blanc is delightful to enjoy upon release; however, this is a wine that will continue to grow and evolve with 3-5 years in bottle.
