2022 · NAPA VALLEY · CABERNET SAUVIGNON

Crafted from premier Napa Valley vineyards, this Cabernet Sauvignon captures the essence of the region's diverse terroir — from the structure of Oak Knoll and Howell Mountain to the soft tannins of Rutherford and Oakville, and the herbal notes of Coombsville. Harvested at lower sugar levels yet with ripe tannins, it was aged in carefully selected French oak barrels to achieve balance, complexity, and finesse.

The 2022 Napa Valley Cabernet Sauvignon is in an ideal drinking window now and will continue to evolve through 2030. Approachable and food-friendly, it pairs beautifully with gouda and cherished moments with friends and family.
