

## MEMENTO MORI

### 2022 MEMENTO MORI Beckstoffer Dr. Crane Vineyard

Rooted on the western edge of this acclaimed vineyard, our select rows of vines deliver a mineral-focused concentration framed by a powerful purity of fruit. Untethered aromas of wild blackberries, crème de cassis, dried violets, truffle, and spiced mocha meld effortlessly into a focused palate dripping with red and black fruits, crushed river stones, kirsch, graham cracker, and boysenberry preserves. The wine's supple texture exudes the personality of the site, with layers of ripe fruit backed by waves of unctuous minerality and beautiful acidity that reinforce the pedigree of the vineyard. Aged in 100% new French oak for 22 months, Sam Kaplan's deft touch in the cellar is on full display, marrying a beautiful combination of unbridled opulence with exquisite restraint.
