

MEMENTO MORI

2022 MEMENTO MORI Beckstoffer Las Piedras Vineyard

Named after the fist-sized stones that adorn this vineyard landscape, our vines sourced from two separate plots of the Las Piedras Vineyard highlight the unique characteristics of their rock-laden home. The wine erupts from the glass with exotic notes of summer blueberries, wet minerals, black currant, loam, baker's chocolate, and clove. The expansive, full-bodied palate is brimming with black raspberries, spiced mocha, warm earth, and crushed gravel, all buttressed by energetic acidity and beautiful mineral focused tannins that permeate the luscious texture leading to a seductive finish. Aged in 100% new French oak for 22 months, this release showcases the rocky terrain of this western St. Helena heritage site that traces its history back to the original Mexican land grants of the late 1830s.
