

MEMENTO MORI

2024 MEMENTO MORI THE SAUVIGNON BLANC

An expressive light golden elixir that captivates from the moment it takes hold of your senses while capturing a vibrant and dynamic varietal character. Inviting aromas of white peach, lime blossoms, wet stone, Mandarin orange, and honeysuckle front a texturally-rich palate full of lively fruits, stone fruits, Meyer lemon, sea spray, and hints of vanilla custard. This vintage presents a bit more weight than its predecessors, while harnessing a classic energy and racy tension that carries through the chalk-laced finish.
