

## MEMENTO MORI

### 2023 MEMENTO MORI The Estate

A new day has dawned with the release of the first vintage grown from our home estate. Upon entry, dynamic notes of spiced red berries, cassis, fresh plums, rose water, cured meats, leather, vanilla bean and caramel give way to an unctuous palate brimming with fleshy, dark fruits, backed by layers of chocolate, leather, and warm minerals. The tannins are supple and silky, all framed by a high-toned acidity that sets up a beautiful transition to the long and lingering finish. A refined yet powerful expression of Cabernet reinforcing there's truly no place like home.
