

MEMENTO MORI

2024 MEMENTO MORI The Flagship

Sourced from six single-vineyard sites throughout Napa Valley, intense aromas of black cherry, blackcurrant, and plum meld with baking spice, mocha, and a curl of licorice, unfurling into a plush palate of cassis and dark stone fruit. Additional layers of dried herb and subtle minerality continue to evolve with time in the glass, framed by ultra fine, fleecy tannins and a bright, well-balanced acidity that capture the richness of the vintage. Supple and inviting, the long finish brings this beautifully layered wine full circle. Generous enough to enjoy now, structured enough to reward patience for decades to come.
