

MEMENTO MORI

2024 MEMENTO MORI Beckstoffer Dr. Crane Vineyard

Farmed on Beckstoffer Dr. Crane's storied ground along St. Helena's western edge, black plum and Morello cherry meld with sandalwood and warm spice, opening into a silky palate of pomegranate, pale river stone, and a savory underbelly of clove. Additional layers of dried floral and cocoa continue to reveal themselves with time in the glass, framed by long, sinewy tannins and a refined acidity built for real cellar life. Elegant and ethereal, with a finish that just keeps going.
