

MEMENTO MORI

2024 MEMENTO MORI The Estate

Nestled on a coveted little bench at the base of Diamond Mountain, our home estate returns for a second chapter, each vintage revealing a bit more of what this ground can do. Wild raspberry and red currant open into violet and warm baking spice, settling into a bright, layered palate of black cherry, cassis, and cool river stone. Silken tannins and a lifted, energetic acidity carry the wine to a finish built to hold its own for years. A graceful yet assured Cabernet — proof that home keeps getting more interesting.

100% CABERNET SAUVIGNON
Clone 4 & 169
