ROSÉ OF PINOT NOIR

Sonoma Coast

2021

Varietal: 100% Pinot Noir

AVA: Sonoma Coast

Vineyard: Terra de Promissio, Arnoud

Harvest Date: September 3rd -15th, 2021

Fermentation: Saignée, Barrel fermented on lees

Aging: 100% Stainless steel

Alcohol: 14.2 %

Production: 45 Cases

Vintage:

The 2021 vintage was ideal for Sonoma Coast fruit quality, with an early bud break, even ripening throughout the summer, and no heat spikes. The drought continued from last season to lower overall yields, while quality is off the charts, with great depth and maturity of fruit. Berries were small and concentrated in flavor, with less need for pruning or dropping fruit to control vigor. Coming on the heels of a challenging 2020, this vintage is an outstanding testament to the perseverance and hard work of our growers and looks to be one of the best of last decade.

Tasting Notes:

We are very excited showcase our first offering of Rosé of Pinot Noir! The 2021 Sonoma Coast Rosé of Pinot noir, with its blush peach hues, showcases summer aromatics of strawberry and watermelon as well as heady notes of gardenias and brioche. On the palate, its rich fruit flavors linger with a touch of clementine peel zest and crushed minerals. This is our go-to summer wine!
