2018s**REVIEW**

The 2018 Cabernet Sauvignon Spring Mountain District reveals a deep purple hue to go with classic Spring Mountain exotic, floral notes that include plenty of blue fruits, candied orange, violets, and spice. This beauty is medium to full-bodied, has a rounded, nicely textured mouthfeel, silky tannins, and a great finish. This gorgeous mountain Cabernet delivers richness as well as considerable elegance. Drink bottles over the coming 15-20 years.
