

# METZKER

FAMILY ESTATES

PINOT NOIR  
Sonoma Coast  
2023

## Vintage:

The 2023 vintage in the Petaluma Gap was marked by a cool, extended growing season with persistent coastal influence. Strong winds and fog slowed ripening, allowing for long hang time and excellent flavor development. The result is a structured, high-acid wine with precision and aging potential.

## Tasting Notes:

Aromas of bright cherry, raspberry, and wild strawberry are layered with rose petal, tea leaf, and subtle spice. The palate is linear and energetic, showing red fruit, cranberry, and savory herbal notes. Fine tannins and vibrant acidity drive a long, lifted finish.

**Varietal:** Pinot Noir
