The Comeback Grape

Overlooked for years, Chenin Blanc is back.

2023 PALISADES CANYON CHENIN BLANC ($75)

Easily one of the best California Chenins I've had, this honeysuckle-scented, complex white is incredibly alluring. The flavors suggest ripe orchard and citrus fruits, with a savory backdrop of chalky minerality and dried herbs. It comes from a tiny 1.5 acre parcel on a historic Napa Valley site near Calistoga.
