2013 PAUL HOBBS CABERNET SAUVIGNON, BECKSTOFFER DR. CRANE VINEYARD, NAPA VALLEY

100 POINTS

“The 2013 Cabernet Sauvignon Beckstoffer Dr. Crane Vineyard has a Mission Haut-Brion-on-steroids character, as it seems to be all gravel pit. Loads of wet pebbles, graphite, blueberry and blackberry fruit, a full-bodied opulence, and just a killer, skyscraper-like mouthfeel and stunning finish make for one of the most provocative and fabulous wines in this portfolio.”

– Robert Parker Jr., The Wine Advocate, March 2016

“This is truly fantastic with lavender, hot stone and black currants. Blueberries. Silky and seamless with glorious length and beauty.” – James Suckling, January 2016

94 POINTS

“Beautifully crafted, this sleek version is focused on snappy red and dark berry flavors, with dusty earth accents and seductive cedar- and mocha-accented oak. Glides along gracefully on the finish.” – James Laube, Wine Spectator, November 2016
