THE 2021 VINTAGE

2021 was truly an incredible vintage. A combination of a beautiful growing season and the realization of our team's steadfast dedication to our farming principles led us to what is looking to be one of the greatest vintages we have produced since RAEN began, now almost ten years ago. During the 2021 growing season, our vineyards felt healthier and more alive than ever before. Through our holistic approach to farming, the meadows and forests don't end where the vineyard begins, but rather work together. We believe that supporting this biodiversity is both better for our planet's health, as well as essential to growing world-class wines. We are grateful that Mother Nature gave our coastal region a nearly perfect growing season, allowing us to capture the brilliance of the year in its entirety. Our 2021 wines present a beautiful concentration of flavors with incredible vibrancy, energy and verve. Elegant and expressive, these wines capture the voice of our grand cru sites along the coast.

Our inaugural release is a cuvée of the best barrels in our cellar hailing from two special sites along the westerly Sonoma Coast in Fort Ross-Seaview, yielding a wine of finesse, elegance, and verve. Crushed wet gravel, stone fruits of ripe white peach and crunchy nectarine give way to delicate notes of honeysuckle, apricot And citrus pith. On the palate, crushed wet rock persists with summer ripe stone fruits and white flowers transporting us back to the cool coastline where these vines grow. Subtle notes of this beautiful coastline linger with faint hints of fruit, flower, and minerality leading to a seamlessly long finish.
