

VIDA VALIENTE
FOUNDATION

NAPA IN CABO

We hope that you'll join us January 25th through January 28th 2024 for our second annual Vida Valiente Foundation Fundraiser event hosted at the stunning Montage in Los Cabos, Mexico. You'll spend the weekend enjoying the gorgeous surroundings, amazing cuisine as well as incredible wines, all while connecting with wonderful people and creating magical memories. This unique event is hosted by the Vida Valiente Winery in support of the Vida Valiente Foundation whose mission is centered around uplifting first-generation, low-income students with both financial and leadership support.

The festivities for the weekend kick off with a fun 'Welcome' event at Talay, the Montage's Thai restaurant featuring amazing dishes, cocktails and music. The weekend also includes a decadent wine dinner, including a thoughtfully curated multi-course menu. Guests also have the option of golfing at the world class Twin Dolphins Golf Course or attending a wine brunch hosted at the Drumwright residence, all located on property.

We're excited to share that this year's fundraiser gala will be a Day of the Dead themed soiree, including professional face painting and accessories for those who'd like to fully immerse themselves in the evening's festivities. Space is limited. Contact info@vwinery.com for info on purchasing your tickets.

Thanks in advance for partnering with us in our efforts to positively affect the trajectory of the lives of our incredible Vida Valiente Scholars.

Live Valiantly, Hayes and Susana Drumwright
