

# Introducing The 2021 X NOVO Pinot Noir

The 2021 X NOVO Pinot Noir from X Omni Vineyard marks our inaugural vintage of estate-grown Pinot Noir. While Oregon is synonymous with the Pinot Noir grape, it comprises only a quarter of our vines. Our small community of Pinot Noir vines are grown in specific conditions that encourage gentle and even ripening, resulting in a harmonious wine that embodies the full dimensions of Pinot Noir.

– Craig Williams *Owner / Winemaker*

## TASTING NOTES

The 2021 growing season with its cooler than average weather in August and September presented us with clean fruit exhibiting both sweet and savory components exemplary of Pinot Noir. Fruits of black cherry, strawberry, and blood orange combine with violet and savory spice box fragrances. Echoes of those aromas layer across the palate, framed by an excellent balance and unpretentious extraction. The wine possesses a graceful weight and length with fine-grained tannins.

The 2021 X Omni Pinot Noir was raised in 60% new and 40% neutral French oak barrels for 18 months and was bottled unfiltered in April of 2023.

1,548 bottles produced
