

RELIABILITY

CONVENIENCE

Atlas Copco aims to be the First-in-Mind, First-in-Choice supplier of light equipment to construction, demolition, and mining businesses around the world. Innovation is at the heart of everything we do. It shapes our ideas, drives our production processes, and dictates our strategies.

No matter where you are, our global support network will be there for you with highly competent and experienced professionals. We are driven by a deep understanding of your applications and needs. This enables us to continuously provide you with better solutions.

The next time you see or use an Atlas Copco product, take a moment to appreciate the thoughtful engineering and careful attention to detail. Although the manufacturing integrity is evident to the eye, it's what you can't see that makes the difference in the performance of our products on the job. And it's that performance that is a hallmark of Atlas Copco the world over.

ATLAS COPCO
IT'S ALL ABOUT FOCUS

Atlas Copco

RELIABILITY.CONVENIENCE. SUPPORT.FLEXIBILITY.

AT ATLAS COPCO, THESE ARE MORE THAN JUST GOOD MARKETING WORDS. THEY'RE A WAY OF LIFE. A COMMITMENT AND A PARTNERSHIP THAT YOU CAN COUNT ON TO GROW YOUR BUSINESS.

RELIABILITY translates into the security of knowing your company is aligned with the world leader in compressed air solutions.

CONVENIENCE means no hassle of dealing with multiple vendors by choosing one source to offer the total system package from portable compressed air systems to generators and construction tools.

SUPPORT is the underlying commitment to your business success. Count on Atlas Copco for a total responsibility plan for complete service with fixed costs.

FLEXIBILITY defines your ability to effectively run your business. Atlas Copco supports you with flexibility in equipment packaging, tailored service and support packages, and a corporate finance program to tie it all together.

PORTABLE COMPRESSORS

Innovation lies in the heart of our compressed air technology. Powered by the industry's most reliable engines and offering 67 to 1,600 cfm, our portable compressors are designed to withstand the most demanding applications.

PORTABLE GENERATORS

Extremely reliable and exacting, our QAC series generators range from 25kW to 1,200kW. Equipped with a four-pole main-motorized circuit breakers, emergency stops, automatic engine alarms and shutdowns as standard, the QAC series offers the highest level of safety.

CONSTRUCTION TOOLS

Whether the application is construction, mining or demolition jobs, the Atlas Copco line has a cost-effective tool to increase profits and maximize productivity. Our line includes:

- Pneumatic and hydraulic breakers
- Clay diggers
- Picks and rivet busters
- Scabblers
- Rotary and chipping hammers
- Rock drills

ATLAS COPCO IS COMMITTED TO HELPING YOUR BUSINESS SUCCEED. LET US FOCUS OUR RESOURCES AND EXPERTISE ON YOUR INDIVIDUAL OPERATION NEEDS SO YOU CAN FOCUS ON WHAT'S REALLY IMPORTANT. YOUR CUSTOMERS.

TOTAL CARE SERVICE SUPPORT

Though choosing the right mix of tools is critical to your business, keeping them running at peak performance is even more crucial. That's why we take the extra step to offer you a total service and support package tailored to meet your individual business needs. Our trained and experienced service technicians can take care of parts, labor and routine service to ensure maximum productivity while you concentrate on your customer and the job at hand. It's a total business solution.
