

What organizations are saying about C.A. Roze Consulting:

Mentor2Youth

"Cheryl was phenomenal. We have always struggled with our marketing. She brought her laser focus experience and gave us a North Star regarding our marketing strategy. We will be working together in the future. I hope you get a chance to experience her skills in action!"

Darryl J.

Executive Director

**Roots Tribe Yoga**

Cheryl's grounded and personable approach to marketing covered territory from rebranding including logo, website and social media tips to Board engagement and task delegation in our mere hour together. Full of actionable ideas detailing my specific questions, the time with Cheryl was well spent and will serve as a springboard for tangible change within our organization. We are grateful for Cheryl and highly recommend her to fellow nonprofits!

### **Weekend Adventures**

Cheryl was amazingly easy to work with. She created a social media strategy that's simple and easy to follow. This is very important to me as I am not digitally savvy. She was probably one of the easiest volunteers I've worked with thus far.

**MACC Development**

Working with Cheryl was a great experience and she really gave us some great ideas on getting our youth more involved in our programming and also making our website more effective. She is a great listener and she thoroughly explains the advice she is giving which helps ignite the think tank and motivates you to get things done.
