

## URBAN RAIL CONSULTING & STRATEGY INC.

Throughout my career, I have established a reputation as a transformational leader who is driven by challenge, undeterred by obstacles, and committed to furthering standards of excellence. My expertise encompasses all aspects of programme and project management for public transportation infrastructure works. Further, my ability to promote transparency and influence positive change has been repeatedly proven.

Moreover, I have established a track record of success by leveraging a collaborative work style to accomplish all short- and long-range project objectives. An engaging and articulate communicator, I am able to clearly convey complex information and build consensus with key stakeholders, including high-value clients and executive leaders.

### MARIANO CERMESONI

#### Principal Associate

Forward-thinking and dynamic project management professional with 15+ years spearheading full scope of major public transportation construction projects, including planning, implementing, troubleshooting, and maintaining schedules, budgets, quality, and safety. Well-versed in inspiring diverse teams of engineering subject matter experts to steer numerous high value programs of works and related projects to success and profitability.
