## **AMA DISTRICT 38 MEETING MINUTES**

**March 14, 2019 @ 6:00 p.m.**

### **RACE REVIEWS**

#### **OTB – SAND BLAST – JANUARY 13, 2019**

104 motorcycles and quads. Two minor injuries.

Almost weren't able to have the race due to government shut-down. Everyone would like to thank Michelle Puckett, BLM, for pushing to get race approved during the shut-down.

#### **FULL THROTTLE – FULL THROTTLE 100 – JANUARY 26, 2019**

104 motorcycles and quads, 24 UTVs. No serious injuries.

FT would like to thank Kim Niemela for helping with sign-ups, especially UTVs.

Blue cards for double arrows are working really well.

#### **ROAD RUNNER – KING OF THE DESERT – FEBRUARY 23, 2019**

122 motorcycles and quads, 32 UTVs. 2 injuries, one transported, one drove self to hospital.

It was stated that some of the markers were confusing because they crossed each other.

Some felt that the Bomb Run was too short especially since there was a very sharp left hand turn. It was suggested to have a longer Bomb Run. Spectators were too close to the Bomb Run.

Sweep riders should not be racing the course. They should only be on course during the last lap.

### **GRAND PRIX**

Rob would like to use electronic scoring system for GP.

Volunteers are always needed. Would like volunteers from each Club to help out.

No night race.

There might be a discount on price or incentive to race a second race.

Not sure where race will be, but more than likely Cahuilla Creek Motocross track.

Kim and Jenn will be at Vey's the weekend before GP. Riders are encouraged to come and sign-up early for GP.

## **2020 SCHEDULE MEETING & UTV RULES MEETING**

2020 schedule meeting with Club Presidents mid May.

UTV rules meeting during the summer.

## **LESAR**

LESAR needs a new president. Volunteers are always needed.

It was suggested that an ad for volunteers be put in S&S Off Road Magazine.

It was also suggested to try and get volunteers from local colleges (Grossmont, Cuyamaca, Imperial Valley).

David Rinder thanked LESAR for all of their hard work and dedication, it is much appreciated by all.

LESAR is raising money to buy a new Honda Pioneer, so far have raised \$10,000.

You can receive points for volunteering for LESAR.

LESAR has a Face Book page with approximately 1600 followers. Let Jenn Shuart know if there is anything they need posted on D38 page. [D38Lesar@gmail.com](mailto:D38Lesar@gmail.com) if interested in volunteering.

## **FINANCES**

See attached information below.

## **OPEN**

1. Everyone really enjoyed the banquet. Food was really good.
2. Since the entry fee was raised, really haven't been any complaints.
3. It was suggested that the UTVs use better number plates, several of them are hard to see.
4. If UTV breaks, be sure to let home check know whether they are out of race or fixing and finishing.
5. Some would like more UTV races. First race of the season is really hard to have UTV race because sign-ups are already super busy because everyone is signing up for AMA, D38 and the race. A lot of UTV racers do not have the time to get UTV ready if races are too close to each other.

6. How do volunteer points work? If member of a club you should get 90 points, if not, can get 70 points. It is up to the Club hosting the race to make sure what points are given to volunteers.
7. Transfer points are from D38 or AMA.
8. Contact Jenn Shuart for anything you would like posted before race.

Steven Fenton motioned to conclude meeting, Andy Vance seconded.

Adjourned at 7:28 p.m.

Minutes taken and typed by Michelle Bealo

Minutes approved by Rob Niemela
