While considering Electrical News for Advertising, please keep in mind a few things...

- Electrical News is a newspaper publication not a magazine.
- We have extra large, 11x17 Tabloid, pages. This allows for more content and larger ads.

CONTRACT AND COPYRIGHT REGULATIONS

Contracts specifying rates for more than one year are subject to approval. Advertisers will be billed 75% of the monthly rate if within their contract period they do not use the amount of space upon which billings are based.

Invoices are considered past due after 30 days and a late fee will be automatically applied.

No new ads will be published if the advertiser has an outstanding balance more than 45 days old. No cancellations or changes in orders will be accepted after the 10th of the preceding month. When artwork is not received by the 10th of the preceding month, the last ad will run automatically. In case of an error made by the publisher, the advertiser will receive credit in direct proportion to the space affected. No total credit for the ad will be given. Copy and contract regulations listed in standard rate and date of service are applicable.
