## A Poem with Your Name

I'm always addicted  
to the wrong things.

You for instance.

We met by chance.  
We fell by choice.

God stole those words,  
and called it destiny.

A Poem with Your Name

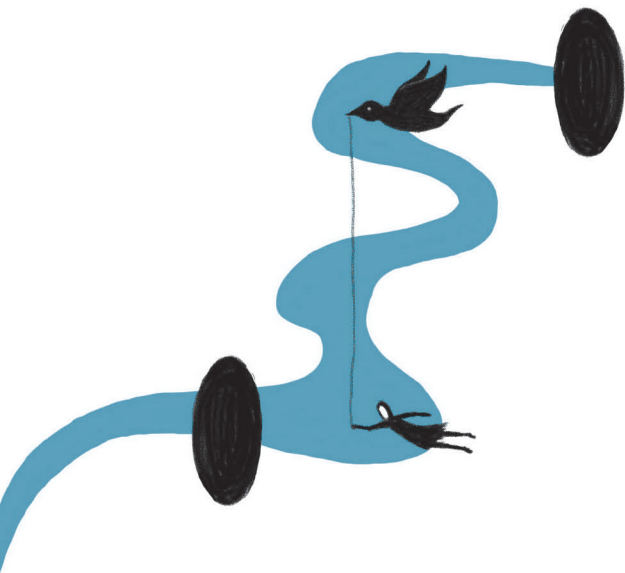

Adi K.

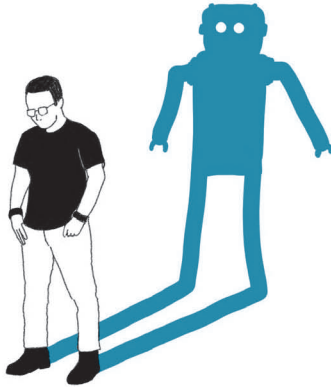

I wake up  
to see a coffee on my table  
and a poem in my mind  
with your name in it.

A Poem with Your Name

Adi likes to sit alone, while drinking his ice green tea, thinking about alternate universes, and writing about darkness.

As his alter ego, *adimodel*, he also likes to take pictures of beautiful objects he can find, so he always carries his beloved camera wherever he goes.

His other poetry books are “*Love Unlove Repeat*” and “*Pada Suatu Hari Aku Tidak Mencintaimu Lagi*”. Both published in 2018.

“*A Poem with Your Name*” is his 50th book.
