Scott Harris of St. John Fisher College Earns Player of the Year Honors**

ROCHESTER, NY – Junior Scott Harris of St. John Fisher College earned medalist honors at the 2006-07 Empire 8 Golf Championship and was named the 2007 Empire 8 Player of the Year. Harris shot an even par 286 over the four rounds. The first two rounds were played at Blue Heron Hills Golf Club in September with the final two rounds conducted at the Mark Twain Golf Club this past weekend. He played each course in even par and shot a tournament-low 68 in the opening round to lead the Cardinals to their third conference title in a row.

The top five finishers who played all four rounds were named to the all-conference first team with the next five finishers earning second-team honors.

Freshman Tom Muto and junior Bobby McCartney of the Cardinals tied for second place by shooting 11-over par for the four rounds. McCartney shot a final-round best 72 on Sunday. Muto and junior Nick Velasco of the Cardinals, who finished fourth overall and received first-team honors for the second consecutive year, each shot a 72 to post the best score in the second round. Muto was also recognized as the Empire 8 Rookie of the Year for placing the highest among freshmen players.

Freshman Brandon Christo of Elmira College rounded out the all-conference first team with his fifth-place finish.
