

Liberty League Field Hockey 2011-2014 Schedule Cycle (Approved 9/14/10)

Maintains existing schedule of back-to-back weekends as in existing schedule cycle (two, four, and six weeks prior to the league championship). Most teams participate in two of the back-to-back weekends (one home, one away). Rensselaer and Union have a single back-to-back weekend in a given year.

Remaining games to be scheduled independently by mutual consent, allowing maximum flexibility for non-league scheduling.

Rensselaer and Union have three games to be independently scheduled each year, Vassar has two, and all other teams have one each. Flexibility is allowed for teams to reschedule contests by mutual agreement when both are playing a single game on a league weekend.

All teams have three home and three away games each year.
