Travel Partner Games Scheduled Independently - may be played on open weekend.

Liberty League Tournament: Friday, May 6 and Saturday, May 7

Notes –

Through 5-year cycle each travel pair has the open weekend once in each of the week 1 through week 5 slots.

Order of play within pairs “flips” from even to odd years, is maintained from odd to even years. This is necessary to prevent the same team within each pair from doing the same first-day travel every other year as the home/away sites alternate.
