

# Chris Burton Clinic

Fresno County Horse Park  
February 27,28 2017

I am excited to announce that Chris Burton will be at the Fresno County Horse Park the week after the FCHP event on February 27, 28 2017. If you don't know anything about him he is the Burghley 2016 champion. Here is his bio: In 2008 he won the CCI4\* at Adelaide, riding Newsprint. In 2010 Chris and Leilani were part of the Australian team at the World Equestrian Game at Kentucky. In 2011 Chris made the decision to take himself and a small team of 2\*\*, 3\*\*\* and 4\*\*\* horses to England on a run to the London Olympics. The move paid off when he and Leilani represented Australia at the London 2012 Olympics. In 2014 Chris was selected as part of the Australian team for the World Equestrian Games in Caen with TS Jamaimo. The horse with whom Chris won the Adelaide 4\* in 2013 as a catch ride.

2015 was a successful year for Chris, including 4th at Luhmuhlen with Graf Liberty, first at the British Open Championships with TS Jamaimo and 3rd and 4th at Burghley with TS Jamaimo and Haruzac. Chris finished the season in second place in the FEI World Rankings. In 2016 Chris attended the Rio Olympics on Santano II and was 5th in individual standings and the team was 3rd. Chris also won the prestigious Burghley Horse trials in 2016.

Cost for the clinic is \$450. This is like all other clinics where the day fee is covered for the clinic days but no stabling.
