

# BEFORE & AFTER: The Story of Encircle

The Encircle experience increases productivity and efficiency while reducing administration and delivering quality results. It's the essential solution for reducing costs, increasing performance and accelerating your business. Here's how.

## OVERVIEW:

■ Before ■ After Encircle

## BEFORE:

*The average cycle times using legacy processes are long.*

TOTAL CYCLE TIME TO POST:

**24 - 72 HRS**

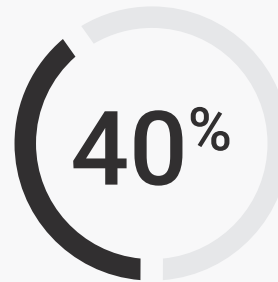

Working independently offline.

✓ Issues from legacy processes extend beyond inefficiency.

## INEFFICIENT USE OF RESOURCES

Numerous same site visits, multiple report edits, excessive number of phone calls.

## LOW QUALITY

Claim reports returned due to lack of narrative & photos.

Countless hours spent to clarify, send and resend appropriate information.

## AFTER:

**e Encircle**

TOTAL CYCLE TIME TO POST:

**1 - 2 HRS**

Working together in real time.

## THE IMPACT

**65% REDUCED ADMIN:**  
Reduction in costs spent on administrative tasks by 60-70%.

**160% INCREASED ACCURACY:**  
Reports deliver 98% acceptance vs 40% returns.

**250% EFFICIENCY INCREASE:**  
An increase in avg number of claims per day from 4 to 10.

**1200% INCREASED  
PRODUCTIVITY**
