NEED A CUSTOM PART OR SPECIFIC SPECIFICATIONS?

IPC supports a wide range of parts to fit your needs, contact for a quote today.

- Casting Parts
- Flame Cut Parts
- Forging Parts
- Machining Parts
- Hydraulic Cylinders
- Blade Parts
- Flow Casted Aluminum Wheels
- Spike Drive Unit Drive
- Tamper Swivel Brackets
- Vibrator Housing (Bottom/Top)
- Railway Parts
- Tie Plate
- Fish Plate
- Heavy Duty Springs
- Ram Press Bar
- Swivel Bracket
- Small Items
- Gates & Handles

PRECISION THAT MOVES RAIL FORWARD

HY-RAIL & EQUIPMENT

- Hy-Rail Wheels
- Gear and Related Components
- Brackets
- Pins and Shafts
- Bushings
- Hydraulic Components

M.O.W. WHEELS

- Solid Steel Wheels
- Forged Wheels
- Cast Wheels
- Aluminum Wheels
- Custom Configurations
- Wheel Assemblies

TRACK & WEAR PARTS

- Track Tools
- Tie Plates
- Fish Plates
- Blade and wear parts
- Spike-drive Components
- Springs and Press Bars

From M.O.W. wheels to outrigger pads, Hy-Rail components, forged & cast wheels, and a wide range of track tools, our products are engineered to withstand demanding conditions and extend equipment life.
