

# Evolving Therapeutic Solutions in Myeloid Malignancies for Best Patient Practices

**Elias Jabbour, MD**  
**Associate Professor**  
**MD Anderson Cancer Center**  
**Houston, TX**

**Moderator: Eric Harris, DO**

**Wednesday, May 3, 2017**  
**11:45: Registration**  
**12:00: Educational Meeting & Lunch**  
**1:00: Evaluation**  
**Florida Cancer Specialists**  
**224 Memorial Medical Highway**  
**Daytona, FL**

## **Educational Objectives:**

After completion of this activity participants should better be able to:

- Diagnose and treat patients with PV & MDS
- Describe the steps of PV & MDS progression.
- Identify prognostication and risk stratifications in PV & MDS
- Recognize the current gaps in appropriate treatment options for PV & MDS
- Integrate the entire clinical team into clinically meaningful treatment goals

## **Nursing Educational Objective:**

After completion of this activity participants should better be able to:

- Provide appropriate care and counsel for patients and their families

## **Target Audience:**

This program is designed to reach local, community medical oncologists, hematologists, primary care physicians, nurse practitioners, registered nurses and internists who diagnose and manage patients with PV and/or MF, in addition to patients with CML, AML, MDS, MDS/MPN and/or Multiple Myeloma, as well as all HCPs who have an interest in furthering their knowledge and education in these disease areas.

## **Disclosure of Conflicts of Interest:**

Postgraduate Institute for Medicine (PIM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest (COI) they may have as related to the content of this activity. All identified COI are thoroughly vetted and resolved according to PIM policy. The existence or absence of COI for everyone in a position to control content will be disclosed to participants prior to the start of each activity.

Jointly provided by Postgraduate Institute for Medicine and KC Consulting LLC.

Postgraduate Institute  
for Medicine  
Professional Excellence in Medical Education

This activity is supported by an independent educational grant from Incyte and Ariad.
